

## LEARN TO TURN SKILL BUILDER MEETING

Two Sessions to choose from:

Saturday February 9, 9am to 4pm. Or

Saturday March 23, 9am to 4pm.

Held at Canadian Woodworker, 4920-99 st.

### **Interested in woodturning? Would you like to try?**

Learn the basics of Spindle Turning using the 4 basic spindle turning tools.

You will learn and develop skills using the lathe safely, tool selection, presentation and sharpening, between centers mounting and holding stock. The focus is on spindle turning techniques including turning rough stock, V-cuts, straight cuts, beads, coves and fillets.

Projects include a spinning top, and honey dipper.

No previous experience required.

All tools and materials supplied. Fee is \$40.00

Seating is limited. Please register early.

Purchase your seat by cash or cheque only with Canadian Woodworker or at an Edmonton Woodturners Guild meeting. Must register in advance, NO HOLDS.

Beverages are provided, please bring your own coffee mug or water bottle.

Please bring a lunch or you may go to many of the fast food places close by.

For more information please contact our skill builder coordinator
